The Sources of Spiritual Health
Dr. Alex Montoya

How is your health? I am not asking about your physical well-being, but rather the health of your soul. Of course, I am assuming that you have new life that comes by faith in Jesus Christ alone for salvation. Are you spiritually healthy? Are you growing in your walk with God?

It is a wise thing to periodically visit your doctor to learn how you are doing physically. It is also wise to take time to check on your spiritual health. Praise God that His word provides tests and insights to determine how we are doing in our walk with Him. We should not ignore evaluating whether or not it is well with our soul.

The theme for the LABTS Men's Conference is "Spiritually Healthy Men". Attendees will have the wonderful opportunity to diagnose whether their spiritual health is robust or weak. They will be challenged to respond to God's word in order to be men who are spiritually fit and strong.

Dr. Alex Montoya will be the speaker for the plenary sessions. Seminars will be led by Dr. Nam Park, Professor Anthony Kidd, and Dr. Ronald E. Roberts, Sr.

You can register in person at LABTS or by mail for \$15.00. Online registration is \$17.50.

See you at the conference!
